THIS MONTHS EVENTS

This Saturday, 6th March, Wii Tennis comes to the club. Projected on to a big screen, Les Fish has organized a tournament for teams of ladies, gents, mixed and cadets. Come along and watch or take part.

We will be showing Six Nations Rugby again this month. Unfortunately we cannot show the England match on the 13th as all the projectionists are on holiday. **Any volunteers for that & the bar at 1700 please call Peter Aspin.** The Wales match will be shown on the 20th. Sorry we cant show the final England match as it clashes with **The Fitting Out Supper: An American Supper on the 20th March, 1930 for 2000.**

On the 26th March at 2000 John Lewthwaite has kindly offered to present - A History of Hillhead Harbour and the Formation Of Hillhead Sailing Club. An interesting evening so please come along

A Plea from the House Committee!!

Cadets. As you know Jordan Wiltshire is the Elected House Committee Cadet rep. He is keen to see Cadet events being run but he cannot do it all by himself. Cadets please offer to give him a hand in organizing and running events. **Bar Volunteers.** Unfortunately there have been a few instances recently of bar volunteers not turning up for a duty. If you cannot make a duty please phone around or e mail other bar volunteers to arrange a swap. If you don't turn up either the bar doesn't open or someone already in the club has to take over the duty. In any event members will be affected. We rely upon members at the club for all duties.
