

Hill Head Sailing Club

Fastest Lap Challenge for the Stig Trophy

The Challenge

The Challenge is simple and is open to all club members. You can also have as many attempts as you like. The following rules apply:

1. NO CHEATING!!! The Sailing Committee's decision is final.
2. Use Jacqueline, Yellow Post and Alston in any direction, in any order and at any time (although not to interfere with normal Club Racing).
3. Time yourself from the first mark you start at, and stop your clock on rounding the same mark after completing one lap.
4. Record your time and complete the Stig Challenge Form on the Noticeboard in the Clubhouse.
5. Using this information an overall winner will be calculated.

So go on! Give it a go! If you have not raced before then this Challenge may appeal to you as you can compete without involving any other boat - lots of room for you to make those classy manoeuvres. For the competitive racer, let's see some Ainslie type tactics and imaginative course selection!

Good Luck.
