

LITTLE BRITAIN
CHALLENGE CUP
2007

Not to be used for navigational purposes.
All reasonable care has been taken in the preparation of this chart. Neither the publishers or their agents can be held responsible for any omissions or errors contained herein or for any loss, damage or injury which may occur as a result of its use.

The pink area is an area of concern and vessels over 150M in length are given a MOVING PROHIBITED ZONE 1000M ahead and 100M either side. Vessels less than 20M long are PROHIBITED from entering the moving prohibited zone. See ABP Southampton notices to mariners.

Yachts shall not anchor within this area. Gas and water pipes, telephone cables and electricity cables carrying 133,000 volts lie on the surface of the sea bed.
